All NCC Gp HQs/Units

ACQUIRING OF MINIMUM 50 CENTS OF LAND FOR ALL NCC UNITS

1. NCC is functioning from Office building hired by the State Govt at various locations frequently changing location which causes tremendous disruption in smooth functioning and training of the NCC Cadets. In order to save huge expenditure towards rent of office buildings, ADG has directed that all NCC Gp HQs/ Units should endeavour to acquire 30 Cents to 50 Cents of Govt land /Local Self Govt Land(unused)/University Land (unused) / Polytechnic Land (unused) for each NCC unit. The unit should approach the Revenue authority/Grama Panchayat/ University Authority/Polytechnic Authority and elected representatives to acquire adequate land for construction of infrastructure in terms of office building and training area.
2. You are also requested to identify surplus land/unused land held with other Dept/ Govt Agencies from the land records held with district revenue authorities which can be transferred to NCC either on permanent transfer or on long term lease basis (minimum 30 years)
3. The action taken by the Units to identify the land and process the cases to acquire land will be briefed during visit of ADG to the Units.
