Sir,

Sub: IFMS-electronic exchange of documents-forwarding of e-pension  
authorizations –furnishing of details of employees-reg

As a part of implementation of the Integrated Financial Management System (IFMS),  
pension authorizations will be forwarded to the treasury electronically, in due course. In order  
to facilitate the automated process, the details such as operational **e-mail id** and **mobile phone  
number** of the retiring employee are necessary. Henceforth, all Pension Sanctioning  
Authorities are requested to furnish these details in the pension applications itself.

Yours faithfully,

Padmakumari M.S
